OUR STORY

We love all beautiful products that nature offers us. Preferably local products and if possible organic. Pure and original flavors is what our kitchen stands for. With vision and craftsmanship our kitchen combines these ingredients to wonderful food dishes.

OUR CONCEPT

You decide how many foodtails you desire and if there are any exceptions regarding dietary wishes or special requests. We will take care of the rest. Together with our service team matching cocktails are selected for the ultimate taste experience.

TASTE WITH A VIEW

Seeing our open kitchen. Enjoying the best cocktails. Explanation by our chef de cuisine Donovan de Kort and his brigade. Personal attention by our service team under the leadership of Ronnie Handog. The best view of Amsterdam. A total dining package.
